There is a darkness stalking us,
a hideous danger hidden in plain site,
and it seeks to kill us all...
Can you see it? No? Then...

Look into the eyes
of a Man wearing Armor
-n- packing Heavy Weapons
as he stares down at you.
He is committed
to obedience to his Master
and Master says to smash you
if you stand up for Truth!

Empire of Darkness
is swarming over you.
Eating up your treasure
as it takes your rights from you.

Look into the eyes
of a Crooked Politician
tells you Lies like Perdition
As she stares down at you.
Votes rights for Corporations;
sells her her Soul for some Position;
spreading Wars and mass Destruction
--- Representing Whom? ---

Empire of Darkness
is swarming over you.
Betrayal -n- Treason by Volition
as they warmly smile at you.

Look into the eyes
of a Banker in her Suit
-n- who-is living in a Tower
as she stares down at you.
She's never scratched a knuckle
or even broke a nail
but she has-a hundred million
--- Dollars more than you! ---

Empire of Darkness
is swarming over you.
Robbing you of trillions
as it sucks the life from you.

Look into the eyes
of a Secret Combination
Occult with Lies and Silence
As it stares down at you.
They have a Call to Power
and to grandeur and to glory
you are just a slave _____
to make their dreams come true.

Empire of Darkness
is swarming over you.
Burning out your Conscience
Human Sacrifice for Ghouls.

Look into the eyes
of a Beast full of madness
soaked in Blood and Horror
As it stares down at you.
Its-- Not a Man
but a Demon Spreading Murder
that fills the Empty Souls
of those who Lust to Rule.

Empire of Darkness
is swarming over you.
Abomination of Desolation
The Wise betrayed as Fools.

Look into the eyes
that Face You in the Mirror
and ask yourself this Questions:
"Am I a part of this too?"
Be sure you Understand
all Mankind are Dear and Precious
and your G-d won't hold you Guiltless
when you Rob your Children too!

Empire of Darkness
is swarming over you.
Courage of Remission
will the Darkness Rule You Too?

Empire of Darkness...
Empire of Darkness...
Empire of Darkness...
Empires of Darkness...
Empire of Darkness...
Empire of Darkness...
